COVID-19 Scenario Guide for E.A. Young Academy Scholars

SCENARIO	CAN MY SCHOLAR COME TO CAMPUS?	WHO DO I NOTIFY?	WHEN CAN MY SCHOLAR RETURN TO CAMPUS?
<p>My scholar has one or more new or worsening symptoms of possible COVID-19 but has not been tested yet.</p> <p>Symptoms include: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea.</p>	<p>No.</p> <p>If your scholar has symptoms of possible COVID-19, they should quarantine.</p>	<p>Please submit the COVID-19 Self Report Form located at https://www.eayoungacademy.com/covid-19-resources or scan this QR code to take you directly there.</p>  <p>Inform your scholar's teachers and others who have been in close contact with your scholar.</p>	<p>Your scholar can end quarantine and return to campus if it has been at least 14 days since symptoms first appeared, their symptoms have improved and they are fever-free (without the use of fever-reducing medication) for at least 24 hours. They also may return if they have been evaluated by a medical professional and it is determined their symptoms are not due to COVID-19.</p>
<p>My scholar has tested positive for COVID-19.</p>	<p>No.</p> <p>If your scholar tested positive for COVID-19, they must quarantine.</p>	<p>Please submit the COVID-19 Self Report Form.</p> <p>Inform your scholar's teachers and others who have been in close contact with your scholar.</p>	<p>Your scholar can end quarantine and return to campus if it has been at least 14 days since symptoms first appeared, their symptoms have improved and they are fever-free (without the use of fever-reducing medication) for at least 24 hours. They also may return if they have been evaluated by a medical professional and have been deemed safe to return to campus.</p>
